FORWARD Friends Or Relatives With Autism & Related Disabilities

Building Affordable Supportive Housing for All Cape Codders With Disabilities

AUCTION ITEMS NEEDED!

TRIVIA NIGHT, NOVEMBER 7th, 2025 -- RECEPTION, LIVE & SILENT AUCTIONS, FOOD, DRINK, 50/50 RAFFLE, DOOR PRIZES…

A FUNDRAISER TO BENEFIT AFFORDABLE HOUSING FOR ADULTS WITH AUTISM

We need donations of goods, services, merchandise, experiences, or other items for the silent and live auctions at our upcoming Trivia Night Fundraiser on November 7th at the Sea View in Dennis Port. Our last Trivia Night was a wonderful success, attracting over 200 enthusiastic attendees!

We've broken ground on our latest project, eight one-bedroom apartments for independent living to accommodate developmentally disabled adults who need supportive services, health and safety supervision, and access to 24-hour emergency response, but do not require a congregate setting with around-the-clock staffing. This project, expected to open for residents in late spring 2026, is being built adjacent to the two group homes we completed in 2020 for residents with profound disabilities. Those homes are staffed 24/7 by Cape Abilities and have been continuously fully occupied since opening.

FORWARD is a 501(c) 3 non-profit founded in 2014 by concerned relatives and friends of young adults with Autism Spectrum Disorder to address their ongoing residential and community living needs, and to confront the critical shortage of affordable housing on Cape Cod.

Our mission is to build affordable and supportive lifelong homes so adults with autism & related disabilities can thrive in an appropriate, safe, healthy, and caring environment

Please visit our website at www.go-forward.org or email David Kaplan, Executive Director, at dkaplan@go-forward.org with any questions or if you are interested in sponsoring this event.

Thank you so much for your support!
